Dear Kathy:

Thank you for your sponsorship of this year's Golden Apple Awards ceremony. As you know, the Golden Apple Awards ceremony recognizes the Teacher of the Year at each school within the Escambia County School District and honors faculties at Pensacola Junior College. This year's ceremony was highly successful due to your sponsorship.

On behalf of the Foundation for Excellence in Education, the Escambia County School District and PJC, I offer our sincere appreciation for your contribution in making this year's event a meaningful success and enjoyable evening for our often overlooked educators who excel in their endeavors.

The Golden Apple Awards ceremony is held annually and organized by the Foundation for Excellence in Education. The award ceremony in 2008 will be held during the month of February. With your continued financial support we will be able to ensure that it will be even more successful than this year's event.

Once again, thank you very much.

Yours truly,

Earl V. Lee  
President
